

## WARMTH FOR EVERYBODY

Perfection Oil Heaters saved the situation last winter. These small, portable furnaces of heating energy gave quick and immediate relief to hundreds of thousands of homes.

Now is the time to insure against the perils of a fuel shortage in your home *this winter*. Buy your Perfection Oil Heater early.

Already used in 3,000,000 homes. Easily carried about.  
Clean—economized—burns ten hours on a gallon of kerosene  
oil. See your dealer today—or phone him for a "Perfection."
